LOCASNOCK Cover Letter

Paragraph 2

1. Forwarded under separate cover are copies of a letter from LOCASNOCK-1 to ☐ which we received through the LOCASNOCK letter drop here. We cannot determine whether LOCASNOCK-1's intent was based on pure cover considerations (in which case the letter was probably written at case officer direction and is not, therefore, particularly significant) or whether LOCASNOCK-1 has taken it upon himself to "make a pitch" to the LOCASNOCK sponsors of whose authenticity he has some degree of conviction.

2. We would appreciate your informing us if the background of, impetus for or existence of this particular piece of correspondence appears to you to be significant.
